

The program presented on Class Day is designed as a formal farewell to the faculty and students of Baker. It is the recalling of the memories of the seniors final year in high school. This program entitled "That Wonderful Year 1860-61" combines humor, music, and dance, and will be the Class of 1961's farewell to Baker High School.

We thoroughly hope that you will enjoy this program, and we hope that the senior class will enjoy their meal at the Columbus Country Club.
